

Feel the wind against your cheek

Join us on a day sailing with T/S Kvartsita, Skaftö's pride. You'll get a taste of life at sea, and get to experience the unique archipelago of Bohuslän. If you feel like it, you can join the work on board: raise sails, tack and navigate - or just enjoy the sail.

Everyone is welcome, children from 2 years need to be accompanied by an adult and bring their own life jacket. 12 years olds, and older, can embark without an adult.

The sailing usually lasts between 10:00 and around 16:00, a light lunch and fika are included in the price.

Since Kvartsita is a sailing ship, we are completely dependent on the weather and wind, so don't be surprised if the plans for the day suddenly change. The only guaranteed port is the one where you board and disembark. But the flexibility also makes it possible for us to give you the best possible experience under the prevailing conditions. We sail where the winds blow.

To join one-day sailings, valid home and accident insurance is required. Bring clothes according to the weather, it can get cold at sea.

Boarding and disembarking at Kvartsitabryggan, Kyrkekajen 10, Fiskebäckskil. Price including lunch and coffee: adult SEK 600, youth 12-18 years SEK 360.

Registration is binding, the fee is not refunded in the event of cancellation by the participant.
